The Invenias difference

- ▶ Drive full adoption and user participation across your team and organisation with simple, intuitive and easy to use applications
- ▶ Increase the productivity of the search process by working seamlessly inside Outlook with full integration with web and social networking sites
- ▶ Gain a cost effective, cloud-based, secure and scalable platform enabling your teams to work wherever they are, on their desktop or mobiles.

Invenias drives growth

- ▶ Capture the high value data, knowledge, insight and connections held within your organisation's professional network
- ▶ Transform your candidate and client relationship management, assignment delivery, business operations and reporting
- ▶ Connect your hiring managers, candidates and hiring partners for closer and more productive relationships and engagements.

Who's using Invenias?

Customers of the Invenias platform are hiring professionals from organisations with hundreds of users across worldwide sites, to boutique firms with one or more offices, and solo executive recruiters.

Corporate Talent Teams

"My team is closing more assignments faster and we all have more time to talk to Clients and Candidates. Having tried a few systems over the years, I can recommend Invenias as the best out there today."
- Patrik Kvikant,
Managing Partner,
Odgers Berndtson Finland

"The war for talent is on, not just in the U.S. but around the world. We are confident that Invenias is the platform that will set us apart from the competition, and fuel our growth due to its progressive underlying technology that places the user experience at its core."
- Seth Harris, Partner,
ON Partners

"Invenias is the best executive recruiting database and tool we have ever used. It is intuitive, quick, and a great way to keep track of our projects and people. The customer support is awesome."
- Tiffany Raymond, Manager,
Executive Search, Tesla
