Invenias Professional

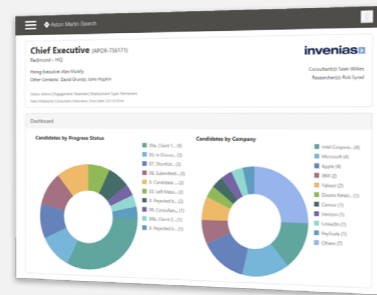

Invenias Professional is your executive search database, your assignment workspace and your CRM platform for client and candidate relationships.

- ▶ Works seamlessly inside Outlook
- ▶ Integrates with web and social networking sites
- ▶ Runs on mobile devices keeping you connected and productive wherever you want to work
- ▶ Includes reporting and analytic tools for managing your business.

Invenias Client

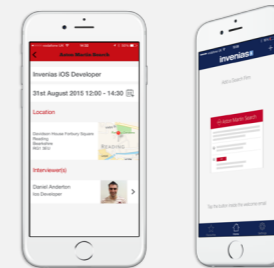

Provide your clients controlled and secure web access to their assignments. Clients can view candidate profiles, leave feedback on candidates and track assignment progress.

- ▶ Improves collaboration with clients, capturing their feedback directly and accelerating the search process
- ▶ Drives efficiency by shortening the time to share information across teams for use in later searches
- ▶ Increases productivity by sharing documents across the Invenias Platform.

Invenias Candidate

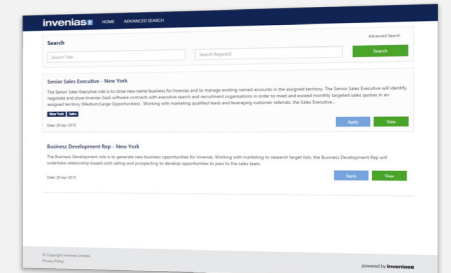

Give your candidates access to detailed information about assignments, including details on the company, upcoming interviews, and consultant contact information.

- ▶ Digitally engage with your candidates
- ▶ Improves the overall candidate experience
- ▶ Increases efficiency by giving candidates access to all interview details including interviewer profile, the location, address and map.

Invenias Apply

Enable applicants to apply online to published assignments. Invenias Apply is a fully hosted and customisable web application.

- ▶ Mobile responsive web application operating across a broad range of browsers and mobile devices
- ▶ Simple and easy to brand, deploy and integrate with your current company website
- ▶ Publish assignments directly from Invenias Professional.
